Crucible Steel Will Cut Wages.

Pittsburg, Dec. 18.—It is reported that the wages of the employees of the Crucible Steel Company of America will be reduced beginning with next month. On account of having no working agreement with its employees, as the Carnegie Steel company has, the Crucible company is not required to post notices in its mills of changes in wages. It is said, however, that within the next few days notices will be posted in nearly every large plant of the Crucible company conveying the information that wages will be reduced.
